Dear [Redacted]

STAT

Thank you for writing Director Casey, for whom I am responding. While Mr. Casey appreciated receiving New Lies For Old, he is unable to provide comments for your readers. To do so would imply a connection to the book or endorsement of its views by the Central Intelligence Agency, which would be inappropriate.

Sincerely,

Dear Mr. Casey:

As I believe you may know, Dodd, Mead is looking forward to publishing NEW LIES FOR OLD: THE COMMUNIST STRATEGY OF DECEPTION AND DISINFORMATION by Anatoliy Golitsyn. Publication is now scheduled for April of this year.

I am sending you separately a set of bound uncorrected galley proofs.

We believe that NEW LIES FOR OLD makes an important contribution to the continued debate between the free and communist world. If you share this conviction, we would be most grateful for any comments that you might be willing to make for our use in calling it to the attention of readers.

With best wishes.

Yours sincerely,
